The All-New Suzuki Belang R150

The Rapid & Radical Sports Machine

Suzuki Assemblers Malaysia Sdn Bhd is pleased to unveil the all-new Suzuki Belang R150 model. Positioned as "The Rapid & Radical Sports Machine", the Suzuki Belang R150 utilizes Suzuki's cutting-edge motorcycle technology to create a light-weight and speedy machine which has an impressive power-to-weight ratio. This results in the Suzuki Belang R150 emerging as the lightest and most powerful sports bike in the 150cc category.

POWERFUL & TECHNOLOGICALLY ADVANCED

A powerful 150cc engine, a slick 6-speed transmission, Suzuki's popular SACS cooling system and a host of other refinements make the Suzuki Belang R150 a leader in its class.

DOHC / 4-Valves

At the heart of the Suzuki Belang R150's class-leading performance is its 150cc, DOHC, 4-Valve engine. Double Overhead Camshafts (DOHC) and 4 valves is the most common configuration for engines used on high performance sports bikes. This type of configuration offers extra smoothness of operation at high RPM, for maximum power and yet excellent fuel efficiency.

6-Speed Transmission

To make effective use of the 150cc engine's abundant power and torque, the Suzuki Belang R150 is equipped with a 6-speed transmission with gear ratios carefully selected for a dynamic sports-riding experience and smooth going in a wide range of road and traffic conditions, as well as a higher top speed.

Air-Cooled With SACS Technology
